ARTICLE V. CODE ENFORCEMENT¹

DIVISION 1. GENERALLY

Secs. 2-201-2-220. Reserved.

DIVISION 2. CODE ENFORCEMENT PROCEDURES—GENERALLY²

Sec. 2-221. Creation; purpose.

There is created by this division a special master with authority to impose administrative fines and other noncriminal penalties to provide an equitable, expeditious, effective, and inexpensive method of enforcing codes and ordinances in force within the city, where a pending or repeated violation continues to exist including, but not limited to, occupational license, fire, building, zoning, and sign codes. Nothing in this division shall prohibit the city council from enforcing any code by other means.

(Ord. No. 06-12, § 2, 10-2-2006)

Secs. 2-222—2-240. Reserved.

Sec. 2-241. Definitions.

Repeat violation means a violation of a provision of a code or ordinance by a person who has been previously found through a code enforcement board or any other quasi-judicial or judicial process to have violated or who has admitted violating the same provision within five years prior to the violation, notwithstanding the violations occurred at different locations.

Special master means a person authorized by the Belleair Beach City Council to hold hearings and assess fines against violators of the City of Belleair Beach codes and ordinances.

Violator means the person or entity legally responsible for the violation including, but not limited to, owners and lessees of property on which the violation has occurred.

²Editor's note(s)—Section 1 of Ord. No. 06-12, adopted Oct. 2, 2006, repealed §§ 2-221—2-268 in their entirety. Said sections had been codified as Div. 2, Code Enforcement Board Procedures, and derived from Ord. No. 99-08, adopted Aug. 16, 1999. Sections 2—14 of Ord. (Ord. No. 06-12, § 3, 10-2-2006)

Sec. 2-242. Code enforcement officer/town marshal.

- (a) The city may designate a code enforcement officer or town marshal to enforce the provisions of the city code of ordinances. Except for the town marshal, the designation as a code enforcement officer does not provide the code enforcement officer with the power of arrest. Nothing in this section amends, alters, or contravenes the provisions of any state-administered retirement system or any state-supported retirement system established by general law.
- (b) A code enforcement officer is authorized to issue notices of violation and to request the city's special master to hear cases in which there has been noncompliance. Other employees or agents of the city may, by resolution of the city council, be designated as code enforcement officers.
- (c) A code enforcement officer or the town marshal may also issue notices to appear before the County Court of Pinellas County, Florida, for any violation of the City Code.
- (d) The town marshal shall be a "law enforcement officer" or a "part-time law enforcement officer", as defined in F.S. § 943.10(1), (6) and shall have the power of arrest without warrant pursuant to the provisions of F.S. § 901.15(1), and as herein provided.
 - (1) To the maximum extent possible, and within the town marshal's discretion, the town marshal shall issue a notice to appear for misdemeanors or violations of municipal or county ordinances and the authority to conduct a lawful search thereon.
 - (2) The provisions of F.S. § 901.17 pertaining to the method of arrest without a warrant shall be applicable to the powers and duties of the town marshal.
 - (3) The provisions of F.S. § 901.21 pertaining to the search of persons arrested shall be applicable to the powers and duties of the town marshal.
 - (4) The provisions of F.S. § 901.28 pertaining to notice to appear for misdemeanors or violation of municipal or county ordinances shall not affect the town marshal's authority to conduct searches.
 - (5) The provisions of F.S. § 316.1945 et seq. pertaining to unlawful stopping, standing or parking shall be applicable to the powers and duties of the town marshal.
- (e) The town marshal shall use his or her sole discretion in the enforcement of the provision of this chapter or the provisions of any state law.

(Ord. No. 06-12, § 4, 10-2-2006; Ord. No. 16-03, § 1, 9-7-2016)

Sec. 2-243. Appointment of special master.

The city shall utilize the services of one or more special masters to conduct hearings concerning violations of the codes and ordinances in force within the city. The city council shall appoint at least one qualified person to serve as the special master and at least one qualified person to serve as an alternate special master in the event the special master is unable to attend a meeting. The appointment(s) shall be in the sole discretion of the city council. Applicants for the special master position must have a law degree and demonstrate a working knowledge of governmental building codes. Each special master shall serve for a term of two years though special masters may be reappointed for consecutive two-year terms. The special masters shall be subject to removal, with or without cause, from their positions at any time during their term by the city council in its sole discretion. Special masters shall not be considered to be city employees. They may receive compensation for their service and also may be reimbursed for such travel, mileage and per diem expenses as may be authorized by the city manager.

(Ord. No. 06-12, § 5, 10-2-2006)

Sec. 2-244. Legal counsel.

The city attorney shall not be used to prosecute violations before the special master, but may be utilized to answer questions of law and procedure, as required.

(Ord. No. 06-12, § 6, 10-2-2006)

Sec. 2-245. Enforcement procedure.

- (a) It shall be the duty of the code enforcement officers to initiate enforcement proceedings of the various codes. The special master shall not have the power to initiate such enforcement proceedings.
- (b) Except as provided in subsection (i), if a violation of the codes is found, the code enforcement officer shall notify the violator and give the violator a reasonable time, no less than five days and up to a maximum of 30 days, to correct the violation. For violations occurring on property occupied by a tenant, both the owner of the property and the tenant, if the tenant can be identified, may be cited for the violation. In addition, for rental properties, rental managers may be provided a courtesy copy of the notice of violation pursuant to subsection (k), below. The determination of a reasonable time shall be based on considerations of fairness; practicality; ease of correction; ability to correct; severity of the violation; nature, extent, and probability of danger or damage to the public; and other relevant factors relating to the reasonableness of the time period prescribed. Should the violation continue beyond the time specified for correction, the code enforcement officer shall notify the special master of the charges and request a hearing. For a repeat violation, it is not necessary for the code enforcement officer to give the violator a reasonable time to correct the violation.
- (c) The special master through its clerical staff, shall schedule a hearing and written notice of such hearing shall be served on the violator by one of the following methods:
 - (1) Delivery by certified mail, return receipt requested, provided that, if such notice is sent under this subsubsection to the owner of the property in question at the address listed in the tax collector's office for tax notices, and at any other address provided to the city by such owner, and is returned as unclaimed or refused, notice may be provided by posting as described in subsection (d)(2), below, and by first class mail directed to the addresses furnished to the city with a properly executed proof of mailing or affidavit confirming the first class mailing;
 - (2) By hand delivery by a code enforcement officer, law enforcement officer, or process server; or
 - (3) By leaving the notice at the violator's usual place of residence with any person residing therein who is over 15 years of age and informing such person of the contents of the notice; or
 - (4) In the case of commercial premises, leaving the notice with the manager or other person in charge.
- (d) In addition to providing notice as set forth in subsection (c), above, notice may also be served by one or both of the following methods:
 - (1) Publishing such notice once during each week for four consecutive weeks in a newspaper of general circulation in Pinellas County, which meets the requirements of F.S. ch. 50 for legal and official advertisements. Proof of publication shall be by affidavit, in conformance with F.S. §§ 50.041 and 50.051, filed with the city clerk.
 - (2) Posting such notice for at least ten days prior to the hearing or prior to any deadline contained in the notice in at least two locations, one of which shall be the property upon which the violation is alleged to exist and the other of which shall be at the Belleair Beach City Hall. Proof of posting shall be by

affidavit of the person posting the notice, which affidavit shall include a copy of the notice posted and the date and places of its posting.

- (e) The notice of hearing shall include the following:
 - (1) Name of the code enforcement officer who initiated the request for a hearing.
 - (2) A factual description of the alleged violation.
 - (3) Date of alleged violation.
 - (4) Section of code or ordinance allegedly violated.
 - (5) Place, date and time of the hearing.
 - (6) Right of violator to be represented by counsel.
 - (7) Right of violator to present witnesses and evidence.
 - (8) Notice that failure of the violator to attend the hearing may result in a fine being assessed against him or her.
 - (9) Notice that requests for continuances will not be considered if not received by the special master at least five calendar days prior to the date set for hearing.
- (f) Evidence that an attempt has been made to hand deliver or mail notice as provided in subsection (c), above, together with proof of publication or posting as provided in subsection (d) shall be sufficient to show that the notice requirements of this division have been met, without regard to whether or not the alleged violator actually received such notice.
- (g) If the violation is corrected and then recurs or if the violation is not corrected by the time specified for correction by the code enforcement officer the case shall be presented to the special master even if the violation has been corrected prior to the special master hearing and the notice shall so state.
- (h) If a repeat violation is found, the code enforcement officer shall notify the violator but is not required to give the violator a reasonable time to correct the violation. A hearing before a special master shall be requested and scheduled in the manner provided above.
- (i) If the code enforcement officer has reason to believe a violation or the condition causing the violation presents a serious threat to the public health, safety and welfare, or if the violator is engaged in violations of an itinerant or transient nature as defined in this code, or if the violation is irreparable or irreversible in nature, the code enforcement officer shall make a reasonable effort to notify the violator and may immediately notify the special master and request a hearing.
- (j) If the owner of property which is subject to an enforcement proceeding before a special master transfers ownership of such property between the time the initial pleading was served and the time of the hearing, such owner shall:
 - Disclose, in writing, the existence and the nature of the proceeding to the prospective transferee;
 - (2) Deliver to the prospective transferee a copy of the pleadings, notices, and other materials relating to the code enforcement proceeding received by the transferor;
 - (3) Disclose, in writing, to the prospective transferee that the new owner will be responsible for compliance with the applicable code and with orders issued in the code enforcement proceeding; and
 - (4) File a notice with the code enforcement officer of the transfer of the property, with the identity and address of the new owner and copies of the disclosures made to the new owner, within five (5) days after the date of the transfer.

A failure to make the disclosures described in subsections (1), (2), and (3) before the transfer creates a rebuttable presumption of fraud. If the property is transferred before the hearing, the proceeding shall not be dismissed, but the new owner shall be provided a reasonable period of time to correct the violation before the hearing is held.

(k) Managers of rental properties may file with the code enforcement manager a list of the properties they manage, along with the name and address of the person to whom any courtesy notice provided under this subsection should be sent. The code enforcement officer may prescribe a required format for such information, so as to best accommodate the provision of courtesy notices. Whenever a notice of violation is provided to the owner or tenant of any such property, the code enforcement officer shall attempt to mail a courtesy copy of the notice of violation, as well as any subsequent notice of hearing pertaining to such violation, to the name and address provided by the rental property manager. Failure to mail any such courtesy copy shall not, however, affect the validity of any notice of violation, hearing or other procedure or proceeding.

(Ord. No. 06-12, § 7, 10-2-2006; Ord. No. 21-03, § 2, 7-12-2021)

Sec. 2-246. Conduct of hearing.

- (a) Upon request of the code enforcement officer, or at such other times as may be necessary, the special master may convene hearings. No special master hearing shall be set for sooner than ten calendar days from the date of service of the notice of violation. Minutes shall be kept of all hearings by the special master and all hearings and proceedings shall be open to the public. The city manager shall provide clerical and administrative personnel as may be reasonably required by the special master for the proper performance of their duties.
- (b) Each case before the special master shall be presented by the code enforcement officer or by its legal representation. If the city prevails in prosecuting a case before the special master, it shall be entitled to recover all costs incurred in prosecuting the case before the special master.
- (c) The special master shall proceed to hear the cases on the agenda for that day. If the alleged violator has been duly notified of the hearing, the hearing may proceed in the absence of the named violator. All testimony shall be under oath and shall be recorded. The special master shall take testimony from the code enforcement officer, the alleged violator, and any other witnesses who have personal knowledge concerning the alleged violation. Documentary evidence may be presented in support of or in defense of the charge. Formal rules of evidence shall not apply, but fundamental due process shall be observed and govern said proceedings. In order to render an order finding the violator guilty, the special master must find that a preponderance of the evidence indicates that the named violator was responsible for the violation as alleged.
- (d) At the conclusion of the hearing, the special master shall issue an order containing findings of fact, based on evidence of record, and conclusions of law. The order of the special master may include a notice that it must be complied with by a specified date, and that a fine may or will be imposed and, under the conditions specified in section 2-248(a), the cost of repairs may be included along with the fine if the order is not complied with by said date. A certified copy of such order may be recorded in the public records of the county and shall constitute notice to any subsequent purchasers, successors in interest or assigns if the violation concerns real property, and the findings therein shall be binding upon the violator and, if the violation concerns real property, any subsequent purchasers, successors in interest, or assigns. If an order is recorded in the public records pursuant to this subsection and the order is complied with by the date specified in the order, the special master shall issue an order acknowledging compliance that shall be recorded in the public records. A special master hearing is not required to issue such an order acknowledging compliance.

(e) If a repeat violation is found, the code enforcement officer shall notify the violator but is not required to give the violator a reasonable time to correct the violation. The code enforcement officer, upon notifying the violator of the repeat violation, shall notify the special master, if applicable, and request a hearing. The special master, through his or her clerical staff, shall schedule a hearing and shall provide notice of the hearing as required by this ordinance. The case may be presented to the special master even if the repeat violation has been corrected prior to the special master hearing, and the notice shall so state. If the repeat violation has been corrected, the special master retains the right to schedule a hearing to determine costs and impose the payment of reasonable enforcement fees upon the repeat violator. The repeat violator may choose to waive his or her rights to this hearing and pay said costs as determined by the special master.

(Ord. No. 06-12, § 8, 10-2-2006)

Sec. 2-247. Powers.

The special master shall have the power to:

- (a) Adopt rules for the conduct of its hearings.
- (b) Subpoena alleged violators and witnesses to its hearings. Subpoenas may be served by the Pinellas County Sheriff or an authorized process server.
- (c) Subpoena evidence to its hearings.
- (d) Take testimony under oath.
- (e) Issue orders having the force of law commanding whatever steps are necessary to bring a violation into compliance.

(Ord. No. 06-12, § 9, 10-2-2006; Ord. No. 21-03, § 3, 7-12-2021)

Sec. 2-248. Administrative fines.

- (a) The special master, upon notification by the code enforcement officer that a previous order of the special master has not been complied with by the set time, or, upon finding that a repeat violation has been committed, may order the violator to pay a fine in an amount specified by this section for each day the violation continues past the date set by the special master for compliance or, in the case of a repeat violation, for each day the repeat violation continues beginning with the date the repeat violation is found to have occurred by the code enforcement officer. In addition, if the violation is a violation described in section 2-245(i), the special master shall notify the city, which may make all reasonable repairs, which are required to bring the property into compliance and charge the violator with the reasonable cost of the repairs along with the fine imposed pursuant to this section. Making such repairs does not create a continuing obligation on the part of the city to make further repairs or to maintain the property and does not create any liability against the city for any damages to the property if such repairs were completed in good faith. If a finding of a violation or a repeat violation has been made as provided in this division, a hearing shall not be necessary for issuance of the order imposing a fine. If, after due notice and hearing, the special master finds a violation to be irreparable or irreversible in nature, the special master may order the violator to pay a fine as specified in subsection (b).
- (b) That the code enforcement special master or the city manager, as the case may be, is authorized to charge or assess administrative or prosecution costs up to the amount of \$500.00 to be imposed on each case where the violator has been determined to be in violation of the Belleair Beach City Code, or where the code enforcement special master's hearing has been set or commenced notwithstanding the final disposition of

any violation; and shall give the violator a date and time certain in which to pay said costs or the cost of abatement.

The fine imposed pursuant to this section shall not exceed \$250.00 per day for a first violation and shall not exceed \$500.00 per day for a repeat violation and, in addition, may include all costs of repairs pursuant to subsection (a), above, and the city's cost of enforcing its code. However, if the special master finds the violation to be irreparable or irreversible in nature, the special master may impose a fine not to exceed \$5,000.00 per violation, plus the city's costs of repairs, if any, and costs of enforcement.

- (c) In determining the amount of the fine, the special master shall consider the following factors:
 - (1) The gravity of the violation;
 - (2) Any actions taken by the violator to correct the violation; and
 - (3) Any previous violations committed by the violator.
- (d) The special master may reduce a fine imposed pursuant to this section.

(Ord. No. 06-12, § 10, 10-2-2006; Res. No. 2018-12, § 1, 7-2-2018; Ord. No. 20-01, § 2, 6-1-2020)

Sec. 2-249. Liens.

- (a) A certified copy of an order imposing a fine, or a fine plus repair costs or enforcement costs or both, may be recorded in the public records and thereafter shall constitute a lien against the land on which the violation exists and upon any real or personal property owned by the violator.
- (b) Upon petition to the circuit court, such order shall be enforceable in the same manner as a court judgment by the sheriffs of this state, including execution and levy against the personal property of the violator, but shall not be deemed otherwise to be a judgment of a court except for enforcement purposes. Unless otherwise ordered by the special master, a fine imposed pursuant to this division shall continue to accrue until the violator comes into compliance or until judgment is rendered in a suit to foreclose on a lien filed pursuant to this section, whichever occurs first. A lien arising from a fine imposed pursuant to this section runs in favor of the city and the city may execute a satisfaction or release of lien entered pursuant to this section.

(Ord. No. 06-12, § 11, 10-2-2006)

Sec. 2-250. Foreclosure.

- (a) After three months from the filing of any such lien, which remains unpaid, the city council may authorize the city attorney to foreclose on the lien. No lien created pursuant to this section may be foreclosed on real property which is homestead protected from claims of creditors by the Florida Constitution.
- (b) In any action to foreclose on a lien, the prevailing party is entitled to recover all litigation costs, including reasonable attorney's fees that it incurs in the foreclosure. If the city is the prevailing party, in addition to recovery of litigation costs and attorney's fees, the city may also recover all costs incurred in recording and satisfying a valid lien.

(Ord. No. 06-12, § 12, 10-2-2006; Ord. No. 09-07, § 1, 10-5-2009)

Sec. 2-251. Duration of lien.

No lien shall continue for a period longer than 20 years after the certified copy of an order imposing a fine has been recorded, unless within that time an action to foreclose on the lien is commenced in a court of competent jurisdiction. The continuation of the lien affected by the commencement of the action shall not be good against creditors or subsequent purchasers for valuable consideration without notice, unless a notice of lis pendens is recorded. No lien created pursuant to the provisions of this ordinance may be enforced on real property, which is a homestead under Art. X, Sec. 4 of the Florida State Constitution.

(Ord. No. 06-12, § 13, 10-2-2006)

Sec. 2-252. Appeal.

- (a) An aggrieved party including the city council may appeal a final administrative order of the special master to the circuit court. A notice of appeal shall be filed with the city clerk with a copy to the circuit court, within 30 days of the execution of the order to be appealed.
- (b) An appeal shall not be a hearing de novo but shall be limited to appellate review of the record created before the special master.
- (c) All appeals shall be governed by the Florida Rules of Appellate Procedure.

(Ord. No. 06-12, § 14, 10-2-2006)

Secs. 2-253—2-260. Reserved.

DIVISION 3. ENFORCEMENT PROCEDURES THROUGH THE COUNTY COURT SYSTEM³

Sec. 2-261. Enforcement of city codes or ordinances; penalties.

- (a) The city council may designate certain of its employees or agents as code enforcement officers. Employees or agents who may be designated as code enforcement officers may include, but are not limited to, code inspectors, zoning inspectors, law enforcement officers, animal control officers, or fire safety inspectors. Designation as a code enforcement officer does not provide the code enforcement officer with the power of arrest or subject the code enforcement officer to the provisions of F.S. §§ 943.085—943.255. Nothing in this section amends, alters, or contravenes the provisions of any state-administered retirement system or any state-supported retirement system established by general law.
- (b) (1) A code enforcement officer is authorized to issue a citation to a person when, based upon personal investigation, the officer has reasonable cause to believe that the person has committed a civil infraction in violation of a duly enacted code or ordinance and that the county court will hear the charge.
 - (2) Prior to issuing a citation, a code enforcement officer shall provide notice to the person that the person has committed a violation of a code or ordinance and shall establish a reasonable time period within

³Editor's note(s)—Ord. No. 06-12, adopted Oct. 2, 2006, retitled Div. 3, Citation Enforcement Procedure, to read as herein set out.

which the person must correct the violation. Such time period shall be no more than 30 days. If, upon personal investigation, a code enforcement officer finds that the person has not corrected the violation within the time period, a code enforcement officer may issue a citation to the person who has committed the violation. A code enforcement officer does not have to provide the person with a reasonable time period to correct the violation prior to issuing a citation and may immediately issue a citation if a repeat violation is found or if the code enforcement officer has reason to believe that the violation presents a serious threat to the public health, safety, or welfare, or if the violation is irreparable or irreversible.

- (3) A citation issued by a code enforcement officer shall contain:
 - The date and time of issuance.
 - b. The name and address of the person to whom the citation is issued.
 - c. The date and time the civil infraction was committed.
 - d. The facts constituting reasonable cause.
 - e. The number or section of the code or ordinance violated.
 - f. The name and authority of the code enforcement officer.
 - g. The procedure for the person to follow in order to pay the civil penalty or to contest the citation.
 - h. The applicable civil penalty if the person elects to contest the citation.
 - i. The applicable civil penalty if the person elects not to contest the citation.
 - j. A conspicuous statement that if the person fails to pay the civil penalty within the time allowed, or fails to appear in court to contest the citation, he shall be deemed to have waived his right to contest the citation and that, in such case, judgment may be entered against the person for an amount up to the maximum civil penalty.
- (c) After issuing a citation to an alleged violator, a code enforcement officer shall deposit the original citation and one copy of the citation with the county court.
- (d) Any person who willfully refuses to sign and accept a citation issued by a code enforcement officer shall be guilty of a misdemeanor of the second degree, punishable as provided in F.S. § 775.082 or 775.083.
- (e) The provisions of this section shall not apply to the enforcement pursuant to F.S. §§ 553.79 and 553.80 of building codes adopted pursuant to F.S. § 553.73 as they apply to construction, provided that a building permit is either not required or has been issued by the municipality.
